## Press Release

### **An Open Letter and Call from Muslim Religious Leaders Statement by Sir Sigmund Sternberg on behalf of The Three Faiths Forum**

The Statement and Call issued by Muslim religious leaders is an important and most welcome stage in efforts by men and women of goodwill to establish the foundation upon which can be built a new era of understanding and respect among the Abrahamic faiths.

The Three Faiths Forum, dedicated these last ten years to the creation of an atmosphere conducive to dialogue between the Muslim, Christian and Jewish faiths, is happy to acknowledge this clarion call as another major step forward down the road to peaceful and friendly relations between all the members of the Abrahamic family and between them and the other major world religions.

In order to sustain the momentum of this Statement and Call, the Three Faiths Forum urges that a seminar be arranged without delay to formulate and promote the new beginning which now seems possible.
